Re: Denial of Access To The Court
Jones V. Evangelidas, et al,
Docket No. 4:20-cv-40153-TSH,
(Stone V. Worcester Cnty. Sheriff's
Office)

Dear your Honor:

I appreciate your Just decision in
Stone V. Worcester Cnty. Sheriff's
Office NO. 18-cv-10011-APB-03-26-2019.
However, My Case Mirrors yours with
the exact same issue of being denied
Klonopin, valium and oxycotin for my
Mental health and Chronic back pain,
I attached your with "Stone" to my
Motion for Emergency Medical
Release and Appointment of

2

Counsel with Judge Hilman since 12-7-20 repeatedly with no response. Please see my attached docket sheet.

As well as my pending state case for which I was granted a "Emergency Medical Release" by Superior Court Judge James Reardon which was illegally revoked on April 27, 2021. Please see attached "Petition For Further Appellate Review and Appointment of Counsel".

I would tremendously appreciate your response.

Respectfully yours
